

Ready to sell your practice and set your sights on retirement?

This seminar has been designed to address concerns established doctors have as they are looking to sell an existing practice. This comprehensive practice transition lecture is designed to offer you professional guidance as you consider your next step towards planning your retirement.

Topics to be discussed

- How to develop an exit strategy
- Selling Private vs. Corporate
- Assembling your professional team
- Organizing financials and preparing for sale
- Buyer profiles and prequalifications
- Enhancing practice value
